David Adams and Cheryl Willey, committee chairs for the Civic Improvement make it a point to place American flags around the Courthouse on Memorial and Independence day weekends. This year Cheryl did the honor for Memorial Day, but she and David will be unavailable for Independence Day. Would **YOU** like to donate 15 minutes to place these flags for Independence week celebration? Cheryl has the flags in her car. Reply to Kay and Cheryl clwilley16@yahoo.com

Our Scholarship committee has been busy choosing a College-bound student from both North Dorchester High School and Cambridge-South Dorchester High School. We need to have an executive decision to withdraw \$1000 from our savings account in order to fund the second scholarship. This will be on our agenda at the Annual DGC Picnic, June 14 at the home of Jack and Helen Saum.

Picnic Friday, June 14, 11:00am
Home and Gardens of Helen & Jack Saum
1 Sandy Acres Rd. Cambridge, Md

Through the generosity of Helen and Jack Saum, DGC members have been invited to picnic at their outstandingly beautiful home. Each year a tour of their gardens and home has been a joy and inspiration. **Bring a dish to be shared and enjoy the camaraderie.** On this occasion, we will also recognize the members who have distinguished themselves by having the highest number of points for each award category. And who will be recognized as the Perennial Bloom award winner of \$100?
